

Position Title: INTELLIGENCE SME

BCDS is actively recruiting Veterans (rank of Sergeant or above) with recent OEF/OIF experience and qualified intelligence analyst experience.

Position Responsibilities Include:

- Assist in developing Intel training, in support of Training Team (TT) pre-deployment training.
- Advise MEF staffs on Intel training TTP.
- Provide instruction of standardized operational Intel to include capabilities in gaining valuable information from the local populace and ensuring proper dissemination.
- Assists in the coordination of Intel training activities required for on-going and future classes and courses, e.g., basic Intelligence planning, basic Intelligence and Intelligence Preparation of the Battlefield (IPB), basic RFIs, basic Fires Planning, basic tactical military analysis, including map and terrain analysis, IPB, HUMINT collection, etc.
- Coordinate with training personnel to provide technical input to Intel training curriculum development, changes, and corresponding documentation.
- Assist in the development and update of lesson plans in accordance with the USMC Systems Approach to Training (SAT) User's Guide.
- Provide technical input in development and updates of Program of Instruction (POI) and training materials for the courses of instruction.
- Instruct and guide team leaders in how to evaluate the abilities of Intel trainees and how to improve their performance.
- Serve as the Subject Matter Expert on Intel training, techniques, procedures, policies, and plans.
- As III MEF ATC staff member, the priority of focus shall be technical advice for integration of Intel instruction into course curriculum.
- Classes taught may range from beginning level to more advanced levels.
- Maybe required to give individual lessons to high-ranking officials.
- This position may require travel to alternate training venues.
- Performance of duties shall be in a combination of classroom and field conditions.
